

For Holidaymakers

Our parks are temporarily closed for Holidaymakers from 23 March – 17 April 2020.

We know you have concerns about the current Coronavirus situation and how this affects your planned holiday at Bunn Leisure. As we continue to reflect on this, and how it impacts the Bunn Leisure experience we can offer, we have taken the decision that our parks are temporarily closed for Holidaymakers from 23 March to 17 April.

We know how disappointing this will be for all those guests who are booked to stay with us during this time but every decision we make, we are doing to ensure the safety and security of our guests, owners and teams as our number one priority. We are contacting everyone who has a break booked during this period, but we shall prioritise those who are booked to travel within the next seven days. We would like to thank our guests for their patience whilst we work through this as quickly as we can.

We would like to apologise to everyone for this disruption and thank our teams for their continued support. We look forward to welcoming our guests back to enjoy a coastal break that Bunn Leisure prides itself on.

If you have questions regarding your break which is due to take place after the 17 April please do not call us at this time to allow those who are due to travel shortly the chance to speak to us.

We will be asking all Holidaymakers to leave park tomorrow. If you are in the middle of a break, we will be in touch to offer a partial refund.

We hope you understand this decision has been made with the interest of your well-being and that of our team. Please understand that our contact centre and social media team are managing huge volumes of enquiries and we ask for your consideration during these uncertain times for us all.
